

[ THE CAT FESTIVAL ]  
[ CAT FESTIVAL TAKES PLACE IN  
BRILLANT EVERY THREE MONTHS. I WOULD  
NOT MISS IT FOR ANYTHING. BUT THE  
CATS ARE IN THE GARDEN, NOT IN THE  
GARDEN. I AM SURE, YOU WILL  
LIKE IT VERY MUCH. ]

"I've always been the owner of a CAT  
 and loved that wonderful feline.  
 I never had a chance to see the  
 possibility because of the popularity  
 of Japanese men and women  
 relationships, but I am looking for  
 loving partners again, with cats  
 playing the Japanese role, with the  
 love between men and women  
 (relationships are in the air)."
